Nature of work description

Nature of work - Doctor (GP)

Description of Processing

The following is a very broad description of the way this organisation/data controller processes personal information. To understand how your own personal information is processed you may need to refer to any personal communications you have received, check

any privacy notices the organisation has provided or contact the organisation directly to ask

about your personal circumstances.

Reasons/purposes for processing information

We process personal information to enable us to provide healthcare services, maintain our

own accounts and records and to support and manage our employees.

Type/Classes of information processed

We process information relevant to the above reasons/purposes which may include:

:
:

Organisation name : DR R P KULSHRESTHA

Date registered : 22 February 2001

Register of data controllers

Z5202513 Printed on: 18 February 2018 Page 1 of 3

- personal details
- family details
- lifestyle and social circumstances
- goods and services
- financial details
- employment details

We also process sensitive classes of information that may include:

- physical or mental health details
- racial or ethnic origin
- religious or other beliefs
- sexual life

Who information is processed about

We process personal information about our patients; customers, suppliers and employees.

Who information may be shared with

We sometimes need to share information with other organisations. Where this is necessary

we are required to comply with all aspects of the data protection act. What follows is a description of the types of organisations we may need to share some of the personal information we process with for one or more reasons.

Where necessary or required we share information with:

- healthcare professionals
- social and welfare organisations
- central government
- service providers
- financial organisations
- current, past and prospective employers
- examining bodies

Undertaking Research

Personal information is also processed in order to undertake research. For this reason the

information processed may include name, contact details, family details, lifestyle and social

circumstances, financial details, goods and services. The sensitive types of information may

include physical or mental health details, racial or ethnic origin and religious or other beliefs.

This information is about survey respondents. Where necessary or required this information

may be shared with customers and clients, agents, service providers, survey and research

organisations.
